REPORT OF ELECTRIC LIGHT COMMITTEE

New customers added to the lines during the year include Walter Packard, Patricia Holsaert, Robert English, Arthur Marcouillier, Foster Avery, George Haskell, Harry Gardner, Henry Tonry, L. B. Thacher (cottage), James Russell and Chester Dufraine.

Total income for the year amounted to \$6,814.47. This amount is larger than usual due to the fact that the final payments for both 1939 and 1940 were received during this fiscal year.

The extension to serve the residence of Henry Tonry has been completed according to the vote at the last annual meeting. We have also built a three pole extension to serve new houses on the Marcouillier property.

The relocation of poles caused by road construction has been completed, also a short section of line near Dr. Briggs' Felch house was moved.

The trees along several lines were trimmed, continuing the practice which we started two years ago.

We are asking for the same appropriation as last year as we hope to finish trimming the remaining lines in the system and also, since some of the lines have been in service almost twenty years, we think it will be necessary to start replacing poles on some of the older lines. The condition of the poles on Main Street is especially bad and as soon as the New England Telephone and Telegraph Co. makes the necessary appropriation for their share of the work, most of them will have to be renewed.

We herewith submit a financial report for the year:

REPORT OF THE SUPERINTENDENT OF SCHOOLS TO THE SCHOOL BOARD OF HANCOCK

I am enclosing with my seventh annual report the statistical summary of the Hancock Schools for 1939-1940, and the report of Miss Margaret E. Harris, School Nurse.

The enrollment in September, 1940, was as follows:

	Primary		Intermed.		Grammar		Jr. High		Senior High					
Grades	I	II	III-IV		V-VI		VII-VIII		Sp.	IX	X	XI	XII	Tot.
Boys	6	8	7	5	4	0	7	4	1	9	3	1	3	58
Girls	6	6	5	7	5	12	5	2	0	2	3	5	5	63
	<hr/>		<hr/>		<hr/>		<hr/>		<hr/>		<hr/>		<hr/>	
	12	14	12	12	9	12	12	6	1	11	6	6	8	121

These figures show practically the same enrollment as last year, an increase of six over two years ago, and an increase of 15 over three years ago.

There has been no change in the teaching force of the elementary grades.

The advantages mentioned last year of having a teacher for each two grades instead of three grades has been even more marked than it was last year. More time is available for individual work with pupils who have been absent, or who need special drill.

Under the gifted leadership of Miss Manchester the Hancock High School maintains its outstanding position among the smaller high schools of the state. The splendid spirit shown by the pupils of this school indicates the value of such leadership.

The Hancock schools have also been fortunate in having Mr. Craig in charge of the elementary grades. He has rendered exceptional service over a period of more than seven years.

I wish at this time to express my thanks to all who have so generously co-operated in the support of our schools.
